Assignment 01 - "My Biography Page"

Task: Create a two column layout webpage.

Points: 20

Description:

In this assignment, you will be developing a two column layout web page. The web page should include:
   1. Header (with a logo or your name)
   2. Footer (with copyright text)
   3. Left sidebar (with at least 5 links)
   4. Main content area (with image gallery)
   5. Top content area. (with your image and a block of text with your biography)

The top content area contain a picture of yourself. Similarly, the main content area display an image gallery. Lastly, the left sidebar contains at least 5 links. (can be link to your favorite website for now).

Output:
